6.10–MEGAN’S LAW

The Fayetteville School District shall work with area law enforcement in a manner consistent with applicable state law and Arkansas Department of Education Regulations to communicate the presence of a sexual offender. When necessary, law enforcement may contact building principals and give them information concerning registered sex offenders. The decision regarding which school principals to notify rests solely with law enforcement officials who use a rating system to determine those needing to be notified according to the offender’s dangerousness to the community.

Building principals should, in turn, notify any person who in the course of their employment is regularly in a position to observe unauthorized persons on or near the school’s property. Those notified could include employees such as aides, bus drivers, coaches, maintenance staff, professional support staff, school level administrative staff, security personnel, teachers’ assistants, and teachers.

It is important that school personnel receiving notice understand that they are receiving sex offender notifications in their official capacity and are not to disseminate information about an offender to anyone outside the school. If school personnel are asked about notification information by an organization using school facilities, they should be referred to the law enforcement agency that issued the notice.

Persons not to be notified except at the specific discretion of area law enforcement officials include members of parent-teacher organizations, other schools, organizations using school facilities, students, parents or guardians of students, and the press. Personnel may inform the press about procedures that have been put in place and other general topics, but may not reveal the name or any other specifics regarding an offender.

Unless limited by the terms and conditions of their probation or parole, a parent or guardian who is a sex offender shall be allowed to attend parent-teacher conferences or any other activity that is appropriate for a parent or guardian.

Copies of the notification from law enforcement should be kept in a secure place accessible to teachers and staff, but should not be posted on school bulletin boards or made available to students or members of the community at large.
