6.12—PARENTAL/COMMUNITY INVOLVEMENT - SCHOOL

Each school understands the importance of involving parents and the community as a whole in promoting higher student achievement and general good will between the school and those it serves. Therefore, each school shall strive to develop and maintain the capacity for meaningful and productive parental and community involvement that will result in partnerships that are mutually beneficial to the school, students, parents, and the community. To achieve such ends, the school shall work to:

1. Involve parents and the community in the development and improvement of Title I programs for the school;

2. Have a coordinated involvement program where the involvement activities of the school enhance the involvement strategies of other programs such as Head Start, HIPPY, Parents as Partners, Parents as Teachers, and Even Start;

3. Explain to parents and the community the State’s content and achievement standards, State and local student assessments and how the school’s curriculum is aligned with the assessments and how parents can work with the school to improve their child’s academic achievement;

4. Provide parents with the materials and training they need to be better able to help their child achieve. The school may use parent resource centers or other community based organizations to foster parental involvement and provide literacy and technology training to parents.

5. Educate school staff, with the assistance of parents, in ways to work and communicate with parents and to know how to implement parent involvement programs that will promote positive partnerships between the school and parents;

6. Keep parents informed about parental involvement programs, meetings, and other activities they could be involved in. Such communication shall be, to the extent practicable, in a language the parents can understand;

7. Provide reasonable support for other parental involvement activities as parents may reasonably request.

To help promote an understanding of each party’s role in improving student learning, each school shall develop a compact that outlines the responsibilities of parents, students, and the school staff in raising student academic achievement and in building the partnerships that will enable students to meet the State’s academic standards.

Each school shall convene an annual meeting, or several meetings at varying times if necessary to adequately reach parents of participating students, to inform parents of the school’s participation in Title I, its requirements regarding parental involvement, and the parents right to be involved in the education of their child.

Each school shall, at least annually, involve parents in reviewing the school’s Title I program and parental involvement policy in order to help ensure their continued improvement.
This policy shall be part of the school’s Title I plan and shall be distributed to parents of the district’s students and provided, to the extent practicable, in a language the parents can understand.
